

# Directions to the UCA Campus from Interstate

## From the East (Little Rock)

Take I-40 west to Conway. Take the first Conway exit (#129), but when you are on the exit, go past the first ramp and travel under the overpass to the second ramp (#129B). The ramp will put you directly on Dave Ward Drive in the correct direction.

## From the West (Russellville)

Take I-40 east to Conway. Take the 4th Conway exit (#129). "Bear" right, and you will be on Dave Ward Drive in the correct direction.

## After you are on Dave Ward Drive:

You will go through several lights, an overpass, and the famous Dave Ward Bus Factory. When you arrive at the corner of campus, go straight past Donaghey, and take a right on Farris. This will put you where the majority of parking is available. All of this can be seen in the map above. Once on Farris, use the following campus map.

# UCA Campus and Directions to Snow Fine Arts

Once on Farris, turn onto "Students Lane" (the first possible right...at the columns). Go to the second stop sign, where you will see the majority of parking to your right. Parking is colored in gray on the map. Take a right at the second stop sign, and you will be able to access this parking as far back as needed. You can certainly look for closer parking if you would like; these are simply the biggest areas. We are allowed to park anywhere that is not marked by signs as faculty or handicapped. If you are being dropped off, you can take a left at the first stop sign and then a right at the next stop sign, which will allow you to pull up to the circular drive of Snow Fine Arts.
