

Directions to the UCA Campus from Interstate

From the East (Little Rock)

Take I-40 west to Conway. Take the first Conway exit (#129), but when you are on the exit, go past the first ramp and travel under the overpass to the second ramp (#129B). The ramp will put you directly on Dave Ward Drive in the correct direction.

From the West (Russellville)

Take I-40 east to Conway. Take the 4th Conway exit (#129). "Bear" right, and you will be on Dave Ward Drive in the correct direction.

After you are on Dave Ward Drive:

You will go through several lights, an overpass, and the famous Dave Ward Bus Factory. When you arrive at the corner of campus, go straight past Donaghey, and take a right on Farris. This will put you where the majority of parking is available. All of this can be seen in the map above. Once on Farris, use the following campus map.

UCA Campus and Directions to Snow Fine Arts

Once on Farris, turn onto "Students Lane" (the first possible right...at the columns). Go to the second stop sign, where you will see parking to your right. Parking is colored in gray on the map, and we are allowed to park anywhere that is not marked by signs as faculty or handicapped. If you must unload, continue straight, and you will see the student center unloading area on your left (at the bottom of the #63 building). This entrance has an industrial elevator with padding, and goes up to the exhibit and session areas. Other areas include Ida Waldron (#38) and Snow Fine Arts (#41). If you need to unload at Snow Fine Arts, you may take a left at the first stop sign, followed by a right that will take you to an unloading zone.
