In order to take advantage of multiple-issue discounts, insertion and purchase orders must reflect the correct total ad price and stipulate the proper number of ads requested (Example: 3 ea. 1/2-page ads @ the \$157.50 three-issue price, totaling \$472.5). It will be assumed that purchase/insertion orders which do not reflect multiple ads are for the non-discounted, standard single-issue ad price, and will be invoiced accordingly.

 August 1st for the September issue
 December 1st for the February issue
 April 1st for the May issue
